Limited Warranty, Serviced Products

The following limited express warranty is extended by Mid-Continent Instruments and Avionics for all products serviced by Mid-Continent Instruments and Avionics, as a component part of an airplane.

***NOTE – for the purposes of this document all Mid-Continent Instrument Co., Inc. DBA’s and divisions (a.k.a. Mid-Continent Instruments and Avionics, True Blue Power, Electric Gyro Corp. & General Design Corp.) are referred to as Mid-Continent Instruments and Avionics.**

Mid-Continent Instruments and Avionics warrants products serviced by them to be free from defects in material and workmanship, with respect to work performed at the time of shipment, and is installed and used under recommended conditions, to perform according to the requirements of their individual specifications. Any defect, malfunction, or failure, of a Mid-Continent Instruments and Avionics serviced product caused by damage (not resulting from defect or malfunction) while in the possession of a buyer, or unreasonable use (including failure to provide reasonable and necessary maintenance), shall not be covered by this warranty.

Except for a warranty of title and the limited warranty set forth above, no other warranties, express or implied or other obligations or liabilities shall apply. In no event will seller be liable for any incidental damages, consequential damages, special damages, indirect damages, loss of profits, loss of revenues, or loss of use, even if informed of the possibility of such damages. Seller’s liability for damages arising out of, or relating to a product or order, is limited to the lower of catalog or contract price for the specific product that gives rise to the claim. To the extent permitted by applicable law, these limitations and exclusions will apply regardless of whether liability arises from breach of contract, warranty, tort (including but not limited to negligence), by operation or law, or otherwise.

Mid-Continent Instruments and Avionics warrants **all exchanges and overhauls for one (1) year from the date of sale. All repairs include a ninety (90) day limited warranty (unless specified differently by MCIA) confined to areas, circuits, or parts replaced during the previous repair.** We will repair or replace, at Mid-Continent Instruments and Avionics option, a unit under warranty once the unit is returned and we verify the malfunction. After repair or replacement, items under warranty retain the unused portion of the original warranty. Return the malfunctioned product, properly packaged, postage prepaid to:

Gyroscopic products overhauled by Mid-Continent Instruments and Avionics have a storage time limit of six (6) months. During storage, said products must be maintained with reasonable care, adequate packing, and stored in dry areas with temperature environments between limits of 60 degrees Fahrenheit and 100 degrees Fahrenheit. The original shipping date of the product will be the basis for determining the beginning of stored time. If the six (6) month storage time on gyroscopic products is exceeded, the unit must be exercised and bench tested prior to installation in the aircraft. Failure to comply with these requirements constitutes unreasonable use under paragraph one.
